MASSILLON CAMPUS

DEAR RIVERTREE PARTNERS,

To be the hands and feet of Jesus...

what exactly does that look like? Jesus said, "I came to serve, not to be served." One of Jesus' final words on earth to his followers was, "Go." **Serve** and **Go** is not a new slogan for a gas station, but a slogan Jesus coined thousands of years earlier.

For us to be effective in reaching the unchurched, we must **Get In The Game**, which means actively serving unchurched people and going to where they are and developing real relationships with them. Christ has called us to transform our lives for Him.

We don't want to be like the little boy who fell out of bed. When his mom asked what happened, he answered, "I don't know. I guess I stayed too close to where I got in." It is the same way in our spiritual life; we've got to grow. One way that happens is by being intentional in **servicing** and **reaching out**. Jesus has called us to be a light in a dark world. We have an eternal life-changing story to tell.

Serving others is one small way we get to be the hands and feet of Jesus and share that story. I'm asking you to link arms and partner with me in being a Kingdom Builder by serving in Massillon.

Partnering with you,
